# Awards Committee Purpose

## “What Do You Do?”

- Answer chapter questions and assist chapters in selecting awards
- Assist State Regent with state level awards
- Coordinate with state chairs on the presentation of awards and collect information on award recipients for the Awards Luncheon Program

## To Put It In Simple Terms...

If your chapter has an award they are thinking of presenting at State Conference, please let me know. This committee chair is here to make sure all the details are covered and everything runs smoothly.

### Helpful Hints...

- A person or organization can only receive one award from the DAR.
- If an award has already been presented to the recipient, it should not be represented at state conference.
- Bylaws state only the state chairs/officers will present awards.

# What is needed from you?

1st Deadline- January 16th 2021

At this time, the committee should know if your chapter is planning to present an award. It is important that we have this information so as to begin the planning process. (Often times chapters are not able to give complete info because they are waiting for information themselves. That is ok. Still be in touch with what you know.)

2nd Deadline- February 3rd 2021

At this point chapters should have received most information on their prospective winners. This committee should be the “go between” for chapters/ state committees and the state. Please contact this chair with award name, winners name, chapter presenting award, etc.

\*When the Call to Conference is given there will be a page for registering Award Luncheon guests. It is the presenting chapter’s responsibility to do this for the award winner and any other guests attending.
