- Members and chapters need to publicize our available scholarships through social media, distribution of information to high schools, displays, fliers, posters, etc.

# DAR Scholarship Committee Awards

- ASDAR presents two \$1500 scholarships each year to graduating high school seniors who attend Alabama high schools.
- These awards are presented at the Awards Luncheon at the ASDAR State Conference.
- NSDAR offers 28 scholarships for graduating high school seniors as well as college and graduate students in specific areas of study.

# DAR Scholarship Committee Pin

- Help the DAR Scholarship Committee expand the scholarship program by making a donation of \$200 to the Friends of DAR Scholarships. This donation qualifies the donor to purchase the Friends of DAR Scholarships pin.
- A second donation of an equal amount to a contribution fund enables the donor to purchase the Best Friend pin with a hanging bar. The bar is engraved with the name of the committee/fund and the year the donation was made.
