**GET HOOKED ON SCHOOLS!!!**

Did you know that there are two DAR Schools and four DAR approved Schools? Besides our own **Kate Duncan Smith**, there is **Tamassee**, as well as **Berry College**, **Hindman Settlement School**, **Hillside School**, and **Crossnore School**. Each school needs our help!

# DAR School Committee

**Get your fishing pole...** Go to the DAR Members only website and learn about the different schools. Each School has a link on the website and a needs list. The Friends of DAR School Fund benefits all schools, as do the proceeds from the “Sunfish” pin.

**Get the bait....** Do a chapter program on the DAR Schools, or have someone from the school to come visit your chapter. Add KDS and other schools to your budget.

# DAR School Committee

**Bait the hook...** help children for the future by:

- donating \$95.00 to the State Regent's Endowment Fund-celebrating KDS 95<sup>th</sup> Year
- purchasing a "Sunfish" pin from the State Chairman
- adopting a class at KDS (minimum of \$150)
- donating to the Honor Roll (for grants to classes not adopted)
- scanning Box Tops for Education (going digital)
- using a pin number at Publix
- saving certain ink cartridges
- becoming a member of KDS's Gem Sustaining Society
- donating an item on **any/all** of the schools' wish lists
- becoming a "Friend of the DAR School."
- attending KDS Dedication Day in October.

# DAR School Committee

**Show your catch...** include all your activities on the chapter's Master Report. Send a report with pictures and activities to the State Chairman (this can be digital) as well, to be considered for State Awards. The Master Report no longer has a place for a list of activities. Your reports and pictures are needed for the State Chairman's Southeast Division Report in February. **In December, the State chairman will send you the number of Sunfish pins your chapter has purchased this year for your report.**

If you have any questions, call or email me! I look forward to hearing from you!
